San Antonio, Texas  Jan 30 – Feb 2, 2023

It’s the kind of learning that will change the story of education in your school and district.

It’s a place for every educator.
TCEA offers something to educators in any role in the field.

Connection with speakers and fellow educators is empowering, enlightening, and uplifting.
Speaker-led Power Hours, poster sessions, meetups, and more offer interactive discussions and activities leading to new relationships, ideas, and an energy boost.

Relevant content and shareable research-based strategies and resources abound.
The best and brightest in education are leading the learning. They want to share, and they know what’s up.

Discovery and inspiration are waiting in the exhibit hall.
It’s built for curiosity and the exploration of new ed tech products and solutions through hands-on experiences.

700+ sessions allow for learning that’s tailored to professional and school goals.
We know that choice and personalized learning leads to the biggest impact.

It’s a lot of learning with some Texas-sized fun on the side.
Nothing nourishes the soul like a little fun, right? We’ll be right off the River Walk— a prime location for a San Antonio-style adventure.
