CURRICULUM AND INSTRUCTION SCHEDULE

From the perspective of:

Amber Teamann, Director of Technology & Innovation for Crandall ISD

TCEA Convention Advisory Panel

I am in a new role in a fast growth district that's hungry for knowledge, resources, and shared experiences that will serve our population. Leveraging technology as an accelerant for the incredible things already taking place in our district is going to be what makes us better than we've ever been before!

Growth as a leader is important to me. I want as many opportunities as possible to see incredible speakers, like Jaime Donnally, Monica Burns, Shannon Miller, and Joe Sanfelippo, so I can bring back new knowledge to support our Pirates!!
