## ELAR TEACHER SCHEDULE

From the perspective of:

**Carrie Villarreal, English Teacher for Northside ISD**

*TCEA Convention Advisory Panel*

I am a busy high school English teacher looking for ways to engage students in learning by providing opportunities for exploring diverse texts, promoting student voice and choice, and using creativity and storytelling for healing. I plan to attend keynote sessions and ELAR sessions while building in time to discuss challenges, brainstorm ideas, and share with other educators in similar roles.

I selected these sessions because they highlight common secondary ELAR goals– reading and literacy, SEL, engagement strategies, storytelling, equity, and access. I am excited to reflect on the last couple of years as a teacher and use lessons learned to amplify student voices and create opportunities for student success in a more digital world.
