GIFTED AND TALENTED TEACHER SCHEDULE

From the perspective of:

Cindy Lewis, Gifted & Talented Coordinator for Anna ISD

TCEA Convention Advisory Panel

As a gifted and talented coordinator, I'm looking for sessions that can give me tools and resources to provide enrichment, support, and challenge to our gifted and talented students. I want to help prepare them for future success, not just success in the classroom.

I love finding ways to help my students shine and explore their interests and talents through learning experiences that challenge and grow. But I also want to be sure I'm supporting their needs at the same time. I chose sessions that will help me discover new methods and means for doing this.
