LIBRARIAN/LIBRARY MEDIA SPECIALIST SCHEDULE

From the perspective of:

Andrea Keller, Middle School Librarian for Irving ISD

TCEA Convention Advisory Panel

I am a busy middle school librarian from Irving, Texas, who is always looking for ways to connect, engage, and advocate for the library and its resources. I plan to attend the keynote sessions and sessions specifically focused on libraries, inclusivity, and highlighting specific tools that I can bring back to my campus.

When reviewing sessions, I chose to attend those that will give me a well-rounded view of library programming and advocacy. I always look forward to learning from Shannon Miller, Nancy Jo Lambert, and many others I follow on Twitter and various social media platforms.
