STEM/STEAM TEACHER SCHEDULE

From the perspective of:

Brant Farris, Instructional Technology Coordinator for Bowie ISD

TCEA Convention Advisory Panel

I am a busy Instructional Technology Coordinator, and I love all things Google. I provide IT support and curriculum support to the teachers in Bowie ISD.

When coming to TCEA, I choose my sessions on topics I hear about in my district or that I don't know much about. I want to take new information back to my teachers. I also feel like it's my job to see what others are doing successfully and bring it back to my district.
