## SOCIAL STUDIES TEACHER SCHEDULE

From the perspective of:

**Kevin LaFollett, Eighth Grade Social Studies Teacher for Katy ISD**

*TCEA Convention Advisory Panel*

As an 8th grade social studies teacher and coach from Katy ISD, I'm hoping to improve my feedback for students, find ways to improve my assessment of student learning, and improve my overall delivery of content and skills. I've chosen sessions that address social studies instruction, assessment, and workflow management to become more efficient during planning.

My main focus with these sessions is to find better ways to improve student learning within the social studies classroom. I'm specifically looking forward to Formative Assessment Strategies to Slay the Test! and Hyperdocs, History, and Primary Sources: The Transformative Trio.
