SOCIAL STUDIES TEACHER SCHEDULE

From the perspective of

Dr. Jennifer Bergland, Director of Government Relations for TCEA

TCEA Staff Member

I am a former middle school social studies teacher, and TCEA is my place to recharge and get new ideas. I'm looking for resources and tools specific to my subject area, but I also want to beef up my technology skills and add some new tech resources to my collection. This is why I made sure to build in time to attend Leslie Fisher's Gadget session! I also want to make sure I have some time scheduled to visit the Exhibit Hall. There is so much to see and experience there!

I looked for sessions that will help me engage my students in conversations and discussions about the different aspects of my history curriculum. I also chose sessions that expose me to new technologies or give me new ways to use technologies I am already using.
