

## CTO SCHEDULE

From the perspective of  
**Lori Gracey, Executive Director for TCEA**  
*TCEA Convention Advisory Panel*

If you are responsible for the full implementation of digital teaching and learning in your district, then these sessions are for you. They focus on critical topics like cyber security, policy, student privacy, and education for the future. These sessions will help as you make decisions on the best educational technology innovations to establish in your district, along with how to keep your data, students, and staff safe.
