

LIBRARIAN / MEDIA SPECIALIST SCHEDULE

From the perspective of
Kristi Starr, Library Media Specialist for Lubbock ISD
TCEA Convention Advisory Panel

I'm a high school librarian looking to develop and promote a strong physical and digital library program while supporting teachers and students. I look forward to the live keynotes and a mix of librarian-related and tool-specific (including Google and instructional) sessions live and on-demand as my ever-changing schedule allows. Many of the sessions I highlighted are offered for and by librarians. Others reflect my desire to assist teachers in instruction and educational technology.
