

SPECIAL POPULATIONS TEACHER SCHEDULE

From the perspective of
Rachelle Poth, High School Teacher for Riverview School District, PA
TCEA Convention Advisory Panel

I am a Spanish and STEAM Teacher from Pittsburgh, PA and I am looking for more ideas for promoting student engagement during hybrid and virtual learning. I am interested in exploring ideas and tools that promote communication, collaboration and creativity. I plan to attend the keynotes live and take advantage of the on-demand sessions so that I can explore many new areas!

I selected sessions that connected to many of the topic areas in special populations but that would be good for all levels and content areas. I selected some playgrounds and poster sessions that focused on big ideas like collaboration, communication and creativity, as well as SEL. Speakers including Jaime Donally, Claudio Zavala, Joan Gore and Janet Corder, Tom Murray, who are presenting
