Gifted and Talented Credit Sessions

If a session is included on the Gifted and Talented Sessions Listing, the presenter indicated their session met one or more of eight qualifying G/T criteria. However, as always, G/T credit is awarded by your district/campus, which will have final say in which sessions qualify. Should you have questions regarding the G/T qualification of any session on the listing, please direct them to the proper personnel in your district or on your campus.
