

TCEA

CONVENTION & EXPOSITION

Feb. 3-7, 2024 ♦ Austin, TX

Grow your staff's impact to be bigger and better than ever.

For 44 years, TCEA's Convention & Exposition has been a space for thousands of educators from around the world to come together and leverage the latest technology, research, and pedagogical practices. TCEA offers 800+ professional learning sessions, networking with peers, expert speakers, and a massive, bustling exhibit hall filled to the brim with quality vendors!

Why Send Your Staff?

Meet goals!

With 800+ sessions, expert speakers, and hundreds of high-quality vendors, attendees can tailor learning to meet individual, school, and district goals.

Maximize your budget.

We offer two opportunities for discounted pricing, three badge types to meet scheduling and budgeting needs, and volunteer opportunities for free registration*. (Limited availability, see website for more details.)

Spread the learning.

Send educators to TCEA and they can come back and spread the learning with specific teams, departments, or your whole staff!

See what everyone else is doing.

Sending educators to TCEA offers valuable insights into what other schools and districts are successfully implementing.

Invest in your team.

Have you ever been asked to attend PD? It feels good, doesn't it? Make your team feel valued by investing in their learning and leadership.

Hone in on specific topics.

Work with staff to hand-pick what sessions to attend and maximize learning on certain topics.

Make new discoveries!

Attendees often find hidden gems and valuable tools, insights, and information they didn't know they needed. Then, they bring them back to benefit their schools and districts.

Make Your Plans Today!
