

# TCEA

CONVENTION & EXPOSITION

Feb. 3-7, 2024 ♦ Austin, TX

## Grow your impact to be bigger and better than ever.

Every educator wants to make a difference. Right? At TCEA, you'll find creative new ways to leverage the latest technology, research, and practices to make your biggest mark on education and student learning. Don't miss it!

## What TCEA Offers:

### Affordability

Choose from three badges based on your budget and schedule. And take advantage of two opportunities for discounted registration!

### 800+ Sessions

With this many options, customize your schedule to broaden your perspectives, discover some hidden gems, cover a variety of topics, or get multiple views on a few topics. Gather up resources, strategies, research, and tools you can use right away to promote learning!

### 450+ Exhibitors

Explore hundreds of products and services! Connect with industry leaders, get hands-on experience with products, easily compare solutions, and deepen your knowledge of the latest updates and trends.

### Influential Feature Speakers

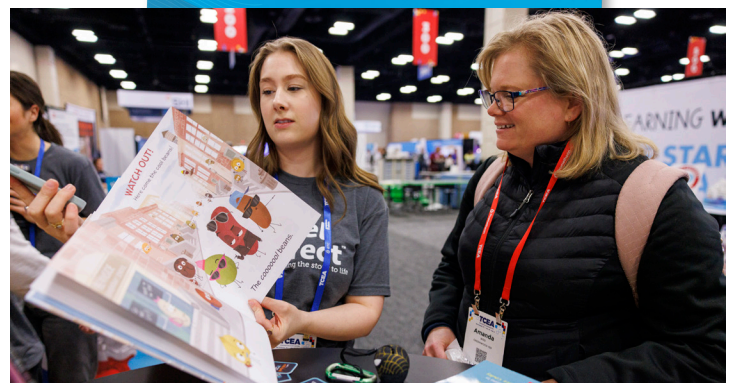

Get inspired by expert insights, new viewpoints, and colorful storytelling! You'll have a memorable experience packed with "aha moments," laughter, and fun that gives you more energy, knowledge, and perspective to put into your work.

### Hone in on specific topics.

Work with staff to hand-pick what sessions to attend and maximize learning on certain topics.

### Free TCEA Membership

With your registration, you automatically become a member of TCEA. And it's free forever! So let the learning continue after convention with free weekly webinars, a multitude of resources, an online community, and tons of support.
